PROFILE SUMMARY

As a detail-oriented and motivated web development professional, I bring a strong enthusiasm for crafting innovative digital solutions. With foundational expertise in web development, I aim to leverage my skills in creating clean, responsive websites and continuously learn new technologies in a collaborative environment

PROJECTS

INTEGRATED HEALTH INSURANCE MANAGEMENT AND ACCESS PORTAL

TechStack - HTML5, CSS, JavaScript,React.js,Python,MySQL,

- To develop a web-based Health Insurance Gateway that simplifies the management of policies,claims, and coverage for users.
- Users can register, manage insurance policies, submit claims, and track their claim status and policy coverage online.
- Designed using HTML, CSS, and JavaScript to ensure a responsive, smooth, and user-friendly experience.
- Developed with Python, integrated with a MySQL database for secure storage and management of user, policy, and claim data.
- Provides an efficient, secure, and accessible platform for users to manage all aspects of their health insurance digitally

RESPONSIVE PORTFOLIO WEBSITE

TechStack - HTML5,CSS,JavaScript,React.js,Python,MySQL

- To Developed a responsive and mobile-friendly portfolio website with optimized performance.
- Design a clean and modern UI/UX with smooth navigation and enhanced user experience.
- Implemented structured sections: Home, About, Skills, Projects, and Contact.
- Integrated EmailJS backend for real-time communication through the contact form.
- Added a dark mode toggle to enhance accessibility and improve user experience.
- Applied SEO best practices and fast-loading optimization for better visibility.

EDUCATION

Master of Computer Applications (MCA)   **2023-2025**
Karpagam Acedemy of Higher
Education CGPA -8.8

Bachelor of Computer Applications (BCA)   **2018-2021**
Nehru Arts and Science
College CGPA -7.9

SKILLS

- **Programming Language :** Python
- **Web Technology :** HTML5,CSS3,JavaScript
- **Frameworks :** React.js,Bootstrap,Tailwind CSS
- **Database :** MYSQL
- **Tools :** Git/GitHub,Visual Studio Code ,PyCharm
- **Softskills :** Adaptability,Problem Solving,Team Collaboration

CERTIFICATIONS

- Certification in Python offered by Cognitive class under IBM Technology.
- Certification in FrontEnd Technology offered by the Great Learning Platform.
- Certification in MySQL Basics offered by the Great Learning Platform

RESEARCH & PRESENTATION

PREDICTIVE MODELING OF SOFTWARE COHESION METRICS USING FEEDFORWARD NEURAL NETWORKS :A COMPARATIVE ANALYSIS WITH MACHINE LEARNING ALGORITHMS - Presented at 2nd International Conference on Computational Research and Data Analytics (ICCRDA - January 2025)
